**Conyers Calls *Grokster* Decision a  
Victory for Creators and Consumers**

Representative John Conyers, Jr., (D-MI) House Judiciary Committee Ranking Member, issued the following statement following today's decision by the U.S. Supreme Court on *Metro-Goldwyn Mayer v Grokster* case:

"This decision is victory for creators of content and consumers. It is clear that those who encourage content theft are responsible for their conduct even if they themselves are not stealing. With this ruling, creators will be encouraged to take advantage of the digital marketplace and provide consumers with even more digital content."
